Instructions

For signatures, remember:

- If an agent signs this form for **any** applicant's signature, either the original document appointing the agent (e.g., power of attorney) or a copy verified to be a true copy of the original must be attached. The power of attorney must include a complete vehicle/vessel description and be signed by the grantor with the grantor's signature notarized.
- If two owners of record were shown on the original title, either may sign if their names were connected by "OR", but both must sign if their names were connected by "AND".
- If the lienholder of record is applying, enter the business name with an authorized party's signature and job title.
- **The applicant's signature must be either notarized or witnessed by an assessor or deputy assessor, or it will not be processed.**
- A signature from the lienholder in Section 7 **does not** release their lien.

Note	Sections 1, 2, 5, and 7 are required to be filled out completely and correctly.
Section 1	Enter the complete vehicle or hull description. Both the vehicle/hull identification number and title number must be listed. Also include model year, make, model, and description.
Section 2	List the current owner of record. If there are two owners, check the "OR" or "AND," whichever appeared on the original title, and list the second owner. If an individual is "doing business as" a company name, check DBA. List the current lienholder information and mailing address.
Section 3	If the duplicate title is to be mailed to a party other than the owner or lienholder, list the address in this section.
Section 4	This section is to be completed and signed by the lienholder of record if they wish to release their lien. A separate release attached to the duplicate application is also acceptable. If an existing lien shown on the title record has not been released, <u>the duplicate title will be issued with the lien and mailed to the lienholder.</u>
Section 5	Completing this section accurately will ensure <u>your title</u> and our records are correct. List the <u>full legal names</u> of <u>all</u> owners to be shown on the new duplicate title. Check "OR" or "AND", if there are two or more owners. If an individual is "doing business as" a company name, check "DBA". Provide Idaho Drivers License numbers or Idaho ID Card numbers, or SSN for owners 1 and 2. List the primary owner's current physical address, and mailing address if different. If "AND" is checked, any owner that did not appear on the original title must sign here. A name can only be added or removed if an owner on the original title has signed Section 7.
Section 6	Complete this section to add a new lien to the duplicate title.
Section 7	It is presumed that your title has been lost. If it has not been lost, but is illegible or mutilated, check the appropriate box and attach the title.

Mail this completed application and a check for the proper fees, as indicated below. Make check payable to Ada County, and mail to the address on page 1; **or**

You may bring this form to your local county assessor's motor vehicle office with the fees listed. Make your check out to that county.
